- 10. BACKGROUND:**
- The Lee County Port Authority uses Trend Micro Endpoint Protection system to provide virus and malware protection for servers and desktops. This software has proved to be very effective at detecting and eliminating all types of malware and the Port Authority would like to continue to use this system.
- GSA Schedule GS-35F-0119Y is an IT procurement contract vehicle awarded to Carahsoft Technology Group that provides IT products, solutions, and services to governmental entities at fair and reasonable price points. XenIT is an authorized reseller through a teaming agreement entered into with Carahsoft Technology Group. The Authority is able to obtain Trend Micro cloud security enterprise software licensing support, and maintenance while realizing savings of almost \$10,000 over the five year term.
