10. BACKGROUND:

The Memorandum of Understanding (MOU) will establish a relationship between the Pinellas County Sheriff's Office and the Lee County Port Authority Police Department under which the Sheriff will grant access and/or obtain data for inclusion in Florida's Facial Recognition Network (FR-NET), hosted by the Pinellas County Sheriff's Office. FR-Net provides facial biometric search capabilities, subject information, face image comparison tools, training for facial recognition search, and face image analysis methods and best practices via CJNET to authorized Florida law enforcement agencies.

The Lee County Port Authority Police Department will have authorized access and/or receive Criminal Justice Information and have current agreements with FDLE and/or the FBI and must adhere to the requirements set forth via the FBI CJIS Security Policy to include the security of the data and information, as well as the exchange of any such data or information. The MOU requires the Chief of Police to sign the document because of the guidelines set forth for
